SUMMARY

Experienced software developer with over 5 years expertise as .NET Developer, Fullstack Developer, and Xamarin. Demonstrated proficiency in developing scalable, maintainable, and efficient applications, emphasizing Scrum, Kanban, SOLID, MVVM, OOP principles. Skilled in database management, particularly adept with SQL Server and Oracle for seamless data operations. Passionate about integrating real-time data syncing and authentication features using Firebase, enhancing user experiences. Continuously exploring and implementing cutting-edge technologies like .NET MAUI and Blazor/Razor for modern, cross-platform solutions.

SKILLS

Proficient: .NET, C#, Xamarin, Azure, MSSQL, REST API, Git, CI/CD, MVVM.
Intermediate: .NET MAUI, Blazor/Razor, Firebase, SOLID.
Beginner: DevOps, xUnit, TDD, HTML, CSS, JavaScript, JQuery.

PROFESSIONAL EXPERIENCE

Software Developer
Remote Code INNV., Brazil – Remote   07/2022 to Present
Core Responsibilities:
- Developed mobile applications for sales companies utilizing .NET, Xamarin, Firebase, SQLite and Agile Methodology, enabling enhanced customer interactions and sales performance tracking. Implemented A/B testing for app features, resulting in a 15% increase in conversion rate.
- Modernized an existing internal system feature for a client, incorporating API redesign, leading to improved user experience and increased productivity within the organization. Implemented server-side caching, resulting in a 40% reduction in API response time.
- Implemented SAAS for tech business using .NET, Javascript, jQuery, Firebase. Achieved 99.9% uptime for backend services by implementing robust monitoring and failover mechanisms.

Key Technologies and Tools: .NET, Xamarin, Firebase, SQLite, Azure, MVC.

FullStack Developer
Take Blip, Brazil – Remote   06/2021 to 07/2022
Core Responsibilities:
- Developed chatbots as Full stack developer, for banking customers using the latest technologies of Azure, C#, .NET, Azure Key Vault and JavaScript. Implemented analytics tracking, resulting in a 30% increase in user engagement insights for targeted marketing campaigns.
- Designed and implemented scalable APIs and background workers for managing first and third-party proprietary licenses using .NET Core, and other Azure cloud technologies that serve millions of license

requests daily. Resolved 95% of reported bugs within 24 hours of being reported, improving overall app stability.

- Continuous Integration/Deployment Pipeline Integration, pull requests, code reviews, load/stress testing, unit/integration. Implemented automated testing, resulting in a 50% reduction in regression bugs found in production releases.

Key Technologies and Tools: C#, .NET, Azure, JavaScript, REST API.

Mobile Developer
Bakari Comercial, Campo Grande, BR   06/2020 to 06/2021
Core Responsibilities:

- Designed and Implemented enterprise mobile application using .NET, Xamarin, Oracle, API Rest. Reduced app loading time by 30%, resulting in a 20% decrease in bounce rate.
- Continuously discover, evaluate, and implement new technologies to maximize development efficiency. Decreased app crashes by 50% by identifying and resolving underlying software issues.
- Integrate with backend services to support app functionalities (e.g., APIs, databases). Improved API error handling, resulting in a 30% decrease in error rates and a more reliable backend service.
- Design and implement user interfaces with a focus on usability and accessibility. Implemented accessibility features, resulting in a 25% increase in user satisfaction among individuals with disabilities.

Key Technologies and Tools: .NET, Xamarin, Oracle, REST API, ERP.

EDUCATION

Bachelor of Computer Science
UNIDERP, Campo Grande, MS, Brazil   01/2019 to 12/2022

- **Relevant coursework:** Object-Oriented Programming, Web Development, Algorithms and Data Structures
- **Bachelor Thesis:** Chatbots: Concepts and Possible Impacts of Their Implementation

COURSES

React
Udemy Certification, Brazil   09/2022

Database and SQL
Udemy Certification, Brazil   07/2022

LANGUAGES

Portuguese: Native
English: Fluent
